

Core Connections, ALGEBRA 1	AUG	SEPT	OCT	NOV	DEC	JAN	FEB	MAR	APR	MAY																																											
	Q1								Q2								Q3								Q4																												
	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	25	26	27	28	29	30	31	32	33	34	35	36	37	38	39	40	41	42											
1: functions	Y	Y	Y	Y																																																	
2: linear relationships				Y	Y	Y	Y																																														
3: simplifying and solving								Y	Y	Y									W																									F									
4: systems of equations											Y	Y	Y	Y	B					I	B																						S	I									
5: sequences															R	Y	Y			N	R																							R	B	N							
6: modeling two-way data															E					T	E	Y																							E	A	A						
7: exponential functions															A					E	A		Y	Y	Y																				A	C	L						
8: quadratic functions															K					R	K				Y	Y	Y																			K		S					
9: solving quadratics and inequalities																													Y	Y	Y																	Y					
10: solving complex equations																																																					
11: functions and data
